Building services

The shared facilities at Forum include shower and employee facilities.

Accessibility

Forum Block is one of the busiest thoroughfares in Helsinki. From there, you can reach other parts of the city centre, such as the central railway station and the Kamppi transit terminal, through an underground walkway.

Parking

Several city centre parking facilities are in the immediate vicinity of the property, such as Aimo Park Stockmann, P-Elie!, Autoparkki WTC parking and Forum-P.

Local services

The block offers an extensive selection of retailers and services ranging from health care to cafés and restaurants. The services of the city centre are all within walking distance.

Sustainability

G R E S B
REAL ESTATE
sector leader 2023

Sponda's Sustainability Roadmap

- Carbon neutrality by 2025.
- Energy Efficiency Programme 2030 aims at 20% reduction of the purchased energy.
- We share the number one position within our peer group as the world's most sustainable property owner and developer in the global GRESB Real Estate Assessment 2023.
- By the Environmental Partnership Program in close co-operation with customers, we can reduce the environmental load resulting from the use of properties.

BREEAM In-Use environmental certification

- 3rd party verification demonstrating sustainable use and maintenance at Very Good level.
- Comprehensive energy and water consumption metering and monitoring systems.

BREEAM (Building Research Establishment Environmental Assessment Method) is an international environmental classification system for buildings. It aims to reduce the environmental impact of building use and develop healthier work environments.

Carbon neutral in terms of energy consumption

- The property uses electricity produced by wind power and renewable district heating and cooling.
- The property's own solar power plant produces renewable energy.
- For more information on the property's energy and water consumption and carbon footprint, please visit the property's extranet pages.

Excellent Location

- Prime central location in Helsinki City centre, providing easy access to public transportation (bus, tram, metro, city bike, train) and nearby services.
- Bicycle storage and showers & locker rooms for employees.

Wellbeing For Users

- Healthy and secure environment to encourage productivity.
- Excellent conditions, including indoor air quality, low material emissions and thermal comfort.

Resource Efficiency

- Sustainable and durable material choices.
- Excellent opportunities for waste recycling.
- The Environmental Coordinator (L&T) provides regular guidance on waste sorting.
