SPONDA

Inspiring work environment and comprehensive services

MOW offers flexible and fully furnished work space solutions for extra small to extra large teams. Unique spaces, a genuinely fun and relaxed community and services that cover all office space requirements are all included in the price.

In MOW's 6 storey building you will find several different private office rooms available in all shapes and sizes as well as a number of coworking areas. You can mix and match these spaces completely according to your work space needs. There is no point in paying for unused square metres and definitely no point in paying for those days when the premises are not in use at all. At MOW you only pay for what you use.

When you need space for meetings, do not despair. We have 17 meeting rooms and 10 soundproof proof phone booths for your disposal.

And what else might be included in the package? Well, at least short notice periods, after works every Thursday, a nap room with a hammock, lobby and postal services, secure parking for bicycles plus shower facilities with locker rooms. And naturally weekly cleaning, electricity, Internet, coffee, tea, weekly fresh fruits and all the popcorn you can eat.
