SPONDA

Flexible office space in Mäkkylä

Kalkkipellontie 6 is located in Mäkkylä, an area between Leppävaara and Pitäjänmäki, in the immediate vicinity of the Kehä I ring road and Turuntie.

The Mäkkylä railway station is within a five-minute walk. Buses operating on the Old Turuntie road, including the Jokerilinja line 550, have stops near the building. The Sello shopping centre is one train stop away and within a ten-minute walking distance. The Kehä I ring road is approximately two minutes away by car. There is ample parking both in the basement level and outside.

The office property, built in 1987, has 8,242m² of flexible office space equipped with cooling.

Sponda's Sustainability Roadmap

- Carbon neutrality by 2025.
- Energy Efficiency Programme 2030 aims at 20% reduction of the purchased energy.
- We share the number one position within our peer group as the world's most sustainable property owner and developer in the global GRESB Real Estate Assessment 2023.
- By the Environmental Partnership Program in close co-operation with customers, we can reduce the environmental load resulting from the use of properties.

Excellent Location

- Central location, providing easy access to public transportation and nearby services.

Low carbon footprint

- Energy efficiency taken into account in the design.
- The property uses electricity produced by wind power.
- For more information on the property's energy and water consumption and carbon footprint, please visit the property's extranet pages.

Wellbeing For Users

- Healthy and secure environment to encourage productivity.
- Excellent conditions, including indoor air quality, low material emissions and thermal comfort.

Resource Efficiency

- Sustainable and durable material choices.
- Excellent opportunities for waste recycling.
- The Environmental Coordinator (L&T) provides regular guidance on waste sorting.
